

Grass & Leaf Collection Schedule

Notice to Residents

The Town of Elkton is now collecting **loose** (not bagged) grass clippings placed inside plastic containers.

The plastic containers must:

- Have a maximum capacity of **32** gallons
- Be visibly marked with the word **“GRASS”** (**note:** all letters must be **4** inches or taller)

Grass & Leaf collection Criteria

- Each type of yard debris (*waste*) must be in a separate pile for service.
- Grass and leaves may be mixed in one pile.
- Tree branches, garden waste or mulch **cannot** be mixed with anything. All must be in individual separate piles.
- Do not place dirt out with yard waste, it will not be collected
- No building materials of any type will be picked up (i.e. fencing, drywall).

Please place collectable items out the night before your scheduled pick up day
